# GRASS SCRIPT

A sea breeze  
over the grass headland, where fallen, white  
branches swim;  
leaves here  
are shaken all the time,  
shoes that run  
on stone.

These ripe days,  
the heat, the tenderness

And the sun on my shoulders brings,  
because it's perfect warmth,  
the feeling that I wear great wings  
while stepping along the earth.

We sit and listen to the bird-song, which is like wandering lines  
of wet paint —  
it is like an abstract expressionist at work, his flourishes and  
then  
the touches  
barely there,  
and is going on all over the stretched sky.

A woman with dark hair and closed eyes lies on her back on a textured, light-colored ground surface, possibly a rock or concrete. She is wearing a dark, short-sleeved top. The scene is illuminated by bright sunlight filtering through trees, creating a pattern of dappled light and deep shadows across her face and the ground. The overall mood is peaceful and serene.
